Aberjazz

Welcome to the 20th Aberjazz festival. For this special anniversary we are bringing some distinguished musicians to Fishguard introducing jazz and blues influences which include a broad spectrum of world music.

For five wonderful days Aberjazz will bring the town to life with music, workshops, our parade, the Aberjazz fringe and the Aberjazz party.

We are delighted to welcome as our headliner this year, Cleveland Watkiss MBE who will lead his excellent 8 piece band with The Great Jamaican Songbook which features songs that tell poignant stories about the times and the culture with that deep, infectious original laid back drum and bass rhythm. At a time when we are celebrating 75 years since Windrush this will be very special.

The Aberjazz parade will take place on Sunday afternoon. It will be led by our dragon, Idris and Wonderbrass who will lead the crowd through the town to the back of the market where they will join the Aberjam, open mic, DJs and the Artisan's market.

Closing this year's festival in The Aberjazz Party we are honoured to have the winner of the 2023 Glastonbury Emerging Talent Competition The N'Famady Kouyaté band.

Enjoy!
